At AudiCare Hearing Centers, we know that choosing a hearing healthcare provider is an important decision. With so many options to choose from, where do you start? That's where we come in!

AudiCare Hearing Centers is the only Audigy certified practice in Northern Michigan. Audigy Group is a network of individually owned private audiology practices nationwide that adhere to the highest standards of patient care and professional experience. Our Audigy certification provides you with the following benefits:

**Experienced Professionals** – Audigy certified professionals are carefully selected based on the quality of care and level of patient satisfaction we deliver.

**Expert Advice** – we invest ourselves in understanding your expectations and make the most of AGX technology.

**Excellent Service** – we understand that you don't want a hearing system. What you really want is to hear better with as little effort as possible.

**Extraordinary Technology** – we ensure cutting edge technologies and maximum benefit to you.

**Exceptional Value** – value equates to the benefit each patient receives for their money. That's the only definition Audigy certified professionals use, because it's the only one that matters to you.

Enclosed you will find some helpful material regarding hearing loss and solutions. We are committed to providing you with the best information possible, so you can make informed decisions about your hearing health. Please call us at 989-705-2100 if you have any questions or to schedule your complimentary hearing screening.

We look forward to hearing from you.

Best Regards,
