The holidays are fast approaching Northern Michigan and with them come sounds we have long associated with the coming season! Leaves crunching, holiday parties and family gatherings just to name a few.

If you are missing these sounds because of a hearing loss, now is the time to say, "I will hear better!" Why wait to reconnect with the world around you? Listen to loved ones and hear what they are saying without asking for repetition. Attend meetings and performances and hear with clarity.

We invite you to visit our office for a no obligation consult and demonstration of AGX 5, 7, 9 technology. Let us answer your questions about sound voids (moments in speech lacking clarity) and hearing technology in a comfortable environment. We will update your hearing screening and if you are currently wearing hearing instruments we will clean and check them for you, even if you purchased them elsewhere!

This is your time to hear better, so we are offering a \$300 credit towards a pair of AGX 5, 7, or 9 hearing instruments. You will also receive our customized AGX Protection Plan which includes 3 years of warranty, 3 years of loss and damage insurance and 3 years of batteries. We will even clean and check your hearing devices at no charge for as long as you own them!

Hurry, as this is a limited time offer that expires in 30 days. We look forward to your call at 1-800-977-4327 to reserve your time to hear better!

Warmest Regards,
